THIRD CAFÉ THANKS LOCATION IN THE HEART OF SEOUL, KOREA.

Daejeon, Korea – December 8, 2017: TMPOS, Inc. (OTC: TPPM)

TMPOS, Inc. proudly opened its third corporate chain store, Café Thanks, in Daejeon, Korea on December 8, 2017. TMPOS is a point-of-sale (POS) payment solution provider which utilizes the customer relationship management (CRM) platform developed by our business company, EsolutionTG. Café Thanks corporate chain stores will be proof to demonstrate TMPOS system's excellence as a multi-store cloud management point-of-sale system.

TMPOS Café Thanks in Daejeon, Korea is the third corporate owned and operated Café Thanks. It is located in the busy Banks neighborhood of Daejeon, Korea, a city known for its excellence in science and art. It is situated in the bustling street of culture, with international and traditional cuisines. It serves as the perfect venue for experiencing and sightseeing Daejeon at its finest.

We invite café goers to feel the warm sunlight through our large open windows and spacious interior, designed for comfort and functionality. The venue houses a small conference room, popular and functional for both small meetings and gatherings.

With the best view of the surroundings Daejeon Stream, Café Thanks serves as the perfect location for café goers to view and enjoy the annual Autumn Lights Festival from. Our café is truly the best. Café Thanks aims to maximize customer satisfaction through the usage of TMPOS POS systems, Thanks Matrix CRM, and the acceptance of TXD Coin to further advance our services.
