FIRST THANKS BAKERY LOCATION IN THE HEART OF SEOUL, KOREA.

Duluth, GA and Seoul, Korea - 22 Dec. 2017 : TMPOS, Inc. (OTC: TPPM)

The first Thanks Bakery is located in the district of Gangnam, a leading location for market trends and growth. We are meeting the expectations and demands of customers in the growing market of low-carb and gluten-free bakeries, making us one of the first ever low-carb and gluten free cafés in the popular city of Gangnam, Seoul.

Thanks Bakery is located in the same building as Café Thanks, our corporate chain store. Café Thanks' profits are increasing steadily, as we gain the attention and support of health-conscious people and dieting individuals. Sunny Song, Thanks Bakery's main patisserie, is the best patisserie in all of Korea and is an expert in gluten-free baking. Beginning with a desire to bake the best and healthiest pastries for her family, Sunny Song studied, practiced, and became a renowned baker in the bakery's industries. Thanks Bakery is quickly becoming the best known low carb and gluten-free café in Korea.

TMPOS is currently preparing for the opening of the fourth Café Thanks, to be located in Fort Lee, NJ, in March, 2018. TMPOS actively puts forth efforts to implement innovative technology in conventional payment and point of sales solutions through the acceptance of digital currencies, including TXD Coin within the POS system, to cater to rapidly evolving business needs. TMPOS and Café Thanks aim to provide the ultimate environment for both casual and formal business functions.

TMPOS is excited to introduce our updated POS system which is designed to be well suited for any retail business models and provides traditional payment solutions, CRM (Customer Relationship Management), AIS (Account Information System), and WM (Workgroup Management), granting access to users anywhere, anyplace, and at anytime. TMPOS Inc. strives to expand our business further. We plan to open Café Thanks in many more locations, nationwide and globally, including Duluth, Georgia, Los Angeles, California, Tenjin, China, and Thailand.

TMPOS will continue to implement our model of prioritizing customers' needs and innovative technology to other retail businesses including nails salons, skincare, and restaurants with ThanksMatrixCRM solution.
