Last Modified: September 13, 2017

Introduction

In order to protect our Independent Representatives and ensure long term growth and success, Thanks Holdings, Corp. (“Thanks Holdings” or “We”) maintains a zero-tolerance spam policy (the “Anti-Spam Policy” or “Policy”) towards the sending of spam email. By accessing Thanks Holdings’ Websites, signing up for Thanks Holdings’ services, including all services provided by Thanks Holdings’ subsidiaries (the “Services”), or agreeing to our Terms of Service, you are also agreeing to the Anti-Spam Policy in its entirety. To enforce the Policy, we carefully monitor how our customers use our Services.

What is Spam?

In the context of electronic messaging, spam e-mail is defined as Unsolicited Commercial Email (UCE), typically sent for a commercial purpose. In the event that you send spam e-mail to people without their permission, you risk immediate cancellation of your account and forfeiture of the account’s genealogy as well as commissions owed.

Email and Prohibited Content

Your use of Thanks Holdings Websites and Services is subject to the Anti-Spam Policy. Thanks Holdings maintains a zero-tolerance spam policy, which requires that all email recipients to whom you send email or messages must have affirmatively opted into, or otherwise validly consented to receiving communications from you, the sender. You are solely responsible for e-mails received and/or sent on your behalf.

If you choose to become a distributor for Thanks Holdings or its subsidiaries, you recognize that it is illegal to forge headers on e-mails and it is illegal to neglect to include a valid functional unsubscribe link along with a valid mailing address in any e-mails sent out regarding our website or any websites or marketing pieces associated therein. Anyone caught forging headers or not including a valid functional unsubscribe link will be immediately and permanently terminated from access and will forfeit any commissions they have accrued during their time as a member.

In addition, Independent Representatives are prohibited from listing or referencing name(s) or website address(es) in his or her email when a Thanks Holdings’ website address is not also included. Also, Independent Representatives must provide all e-mail addresses that have generated a complaint to Legal@thanksholdings.com and permanently remove them from his or her database. If we receive a complaint from the same e-mail address as a previous complaint from an e-mail that was sent more than a week after the original complaint was filed, Thanks Holdings will immediately terminate your Independent Representative status and suspend all future commissions for violating the Anti-Spam Policy.

If You Spam, What Happens?

Please be advised, we do not automatically presume culpability. We take it upon ourselves to investigate all instances of potential spam before coming to a decision. If you are found to be in violation of the Policy at any time, as determined by Thanks Holdings in its sole discretion, We may warn you, and/or immediately suspend or terminate your account. We may ask you to compensate us if your spamming activity causes any interruptions in our ability to service other customers. Thanks Holdings reserves the right to take legal action against any member found in violation of the Policy. Furthermore, if We exercise our right to terminate your account(s), you will not be eligible for a refund.
